Americans for Prosperity Applauds U.S. Representative Ron DeSantis

-Signs No Climate Tax Pledge-

TALLAHASSEE, FL—The Florida chapter of the free-market grassroots group Americans for Prosperity (AFP-FL) today applauded U.S. Representative Ron DeSantis (6th District) for signing the group's No Climate Tax pledge. DeSantis joins more than [400 bipartisan lawmakers and candidates](#) on the federal, state and local levels pledging to **“oppose legislation relating to climate change that includes a net increase in government revenue.”**

“The one thing elected officials should be able to agree on is that global warming shouldn't be used as an excuse to hike taxes on citizens and businesses,” said AFP-FL State Director Slade O'Brien. “We encourage all of Florida's elected officials and candidates for elected office to sign the pledge.”

Current pledge signers include: Governor Rick Scott; U.S. Senator Marco Rubio; U.S. Representatives Jeff Miller, Steve Southerland, Bill Posey, Daniel Webster, Rich Nugent, Gus Bilirakis, C.W. Bill Young, and Dennis Ross.

“Using the guise of climate change to transfer dollars from hard-working citizens to bureaucratic big government is unacceptable,” said O'Brien. “Regardless of their stance on global warming, this should be common ground for all of our elected officials at all levels of government.”

The pledge is available online at www.NoClimateTax.com. AFP does not endorse candidates. All elected officials and candidates are encouraged to sign the pledge and go on the record in opposition to using the climate change issue to increase taxes and grow the size of government.
